10 YEARS TOGETHER FOR KRAKOW - a unique exhibition

2024-09-30

Three key venues on the map of Krakow - the ICE Krakow Congress Centre, TAURON Arena Krakow and the EXPO Krakow International Trade Fair and Congress Centre - are celebrating their 10th anniversary this year. To mark the occasion, Krakow 5020 (the operator of ICE Krakow), together with EXPO Krakow and Arena Krakow S.A., have organised a unique exhibition titled '10 YEARS TOGETHER FOR KRAKOW'. The exhibition in Krakow's Planty Park, opposite Bunkier Sztuki, will be on display until 31 October 2024.

The exhibition will take visitors on a fascinating journey through the last decade, presenting the most important events that took place at these prestigious venues, showing how the establishment of these facilities influenced the development of the city, making Krakow a dynamic cultural, business and entertainment hub. Visitors will be provided with unique photos, interesting information and anecdotes that will introduce the history and importance of these facilities.

The exhibition will also include memories of concerts by global stars, international conferences, fairs and sports events that have strengthened Krakow's position on the international stage.

The ICE Krakow Congress Centre, TAURON Arena Krakow and EXPO Krakow are not only landmarks of the city, but also attract millions of visitors from all over the world every year, supporting the development of the local economy and raising the prestige of Krakow.

The exhibition will be on display in Krakow's Planty Park, opposite Bunkier Sztuki, until 31 October 2024. We invite both residents of Krakow and visitors to the city to take part in this unique event and join us in celebrating ten years that have changed the face of Krakow.
