Magiczny Kraków

Calendar

2026-01-07

Kraków is a vibrant city with inspiring meetings taking place almost every day - from prestigious congresses and international conferences to cultural, scientific and business events. Now is your chance to be a part of them - as a participant or organizer!

Want to stay up to date?

Use the calendar of events maintained by the Krakow Convention Bureau to discover the most important events that affect the development of the city and its residents. You will find a rich selection of:

- industry and scientific conferences,
- seminars and congresses,
- international events and local initiatives.

With regularly updated information, you won't miss a thing!

Are you organizing an event? Don't let it pass unnoticed!

If you represent an institution, university, company or association and are planning an event in Krakow - submit it to the calendar. It's easy, and the benefits are huge:

- your event will gain greater visibility among locals and tourists,
- you will reach participants from all over the world,
- you will help city visitors better plan their stay.

Where to find and report events?

Check and use dedicated platforms:

 convention.krakow.pl - calendar of business and scientific events

 turystykakrakow.pl - calendar of cultural events

 tauronarenakrakow.pl - Tauron Arena Krakow calendar

 zis.pl - Sports Infrastructure Management calendar

 kbf.pl - Krakow Festival Office calendar

 karnet.krakowculture.pl - cultural events

Why is it worth adding an event to the calendar?

- You gain promotion and greater reach
- You reach local and international audience
- You support the development of Krakow's image as an open and dynamic city
- You make it easier for visitors to plan their visit to the city

Don't miss this opportunity - submit your event today and join those who co-create the unique rhythm of Krakow!
