An eventful fall at EXPO Krakow

2025-09-26

From literary discoveries at the International Book Fair in Krakow®, through modern solutions presented at the International Hotel and Gastronomy Equipment Fair HORECA®, to automotive excitement at TUNING SHOW EXPO - the autumn season is kicking off at EXPO Krakow. The calendar includes both specialist meetings for professionals and prestigious conferences and open events for the general public. Now is the perfect time to mark the dates in your calendar.

SEPTEMBER – start of the season

29th International Congress of the Polish Cardiac Society | September 25–27 | Polish Cardiac Society
The most important scientific and educational event in the field of cardiology in Poland, providing an opportunity to exchange knowledge, present the latest guidelines, research achievements, development trends, and modern diagnostic and therapeutic methods.
