Wesoła Immersive

2026-01-22

Wesoła Immersive is a unique place for meetings and the exchange of ideas, where history merges with modern technology and new-media art. Located amid greenery, away from the city's hustle and the predictable, closed-off conference centers, it creates an environment conducive to focus, creativity, and open, substantive dialogue. It is a space designed for people who value not only functionality, but also atmosphere and the quality of experience.
