The Future of Tourism and Mobility at the Heart of an International Conference at Jagiellonian University

2026-08-20

From 28 to 30 September 2026, Kraków will host an international academic conference organised by the Department of Intercultural Mobility Studies at Jagiellonian University. The event will focus on the future of tourism, new forms of mobility, and the impact of technology and global fromie=true&fsw=0">Abstract Submission — abstract submission form,

1. [**Mobility Registration**](#) — registration form.

Media Patronage

The conference is held under the media patronage of Forum Akademickie — a nationwide Polish magazine and online portal dedicated to science, higher education and academic life in Poland.
