

D&I Changemakers Conference 2023 - the biggest and most significant DEI conference is back this December

2023-11-30

Find the DEI signature taste, bring people to the table, find your own socially delicious and sustainable DEI formula- sounds interesting? join the D&I Changemakers conference. The event is scheduled for Dec 6-7 and is fully online.

D&I Changemakers is the 8th edition of the business conference entirely dedicated to the DEI topic through the systemic lens. And where the stage is completely dominated by DEI professionals. This years' conference theme is **#DEI | What`s Your flavor?** which invites participants to take the perspective of an explorer of the DEI signature taste for their organization and learn solutions and best practices to bring people to the symbolic table.

The conference program covers the following topics:

- What is on the DEI Menu? |Strategies, challenges, trends and recommendations.
- **SPECIAL BLOCKS FOR LEADERS | DEI Cooking Class |** recipes for dealing with difficult situations, such as microaggressions, team members feeling excluded, supporting team members in crisis, encouraging sense of belonging, psychological safety, effective feedback, appreciation and recognition.
- Bringing everyone to the table |Commitment, Engagement, Inclusiveness.
- **Is everyone invited?** | (Dis)ability, Neurodiversity, LGBTQ+.
- **Empowering DEI Tools** | DEI Teams, ERGs, Cross Company Mentoring Program.
- Side Event: DEI Open Space | Tackling specific DEI challenges.

Over the years, the conference has been supported by companies, HR communities, DEI influencers and partners who believe in the strategic value of DEI and prioritize the DEI business case.

D&I Changemakers is not just a conference, but a community of passionate DEI By bringing together people from diverse companies, professional backgrounds and experiences. D&I Changemakers aims to create a safe and supportive environment that encourages collaborative and inclusive discussion around DEI.
