Recruitment for Night Mayor is underway

2024-06-28

Krakow is looking to fill the position of Night Mayor, who will head the Commission for the Sustainable Night-Time Economy. Applicants are required to have a university degree, and a minimum of four years of professional experience, including two years in one of the following areas: public administration, culture and heritage, public safety and order, public communications, legal services, entrepreneurship, tourism.

The nature of the job requires the Night Mayor to demonstrate very good English language skills. Other considerations include a conceptual presentation of the task force's activities, the Commission for the Sustainable Night-Time Economy, and being familiar with the city's strategic documents, statistical data, and the industries that form the night-time economy. The applicant also needs a minimum of one year's professional experience in team management.
