If you haven't organised your conference in Krakow, do it now! Krakow Convention Bureau, your best business partner in Poland.

We are an experienced team full of enthusiasm and energy. Our goal is to ensure your meeting is organised professionally, and to make the memories of your meeting lasting and unique. Your conference in Krakow will be enhanced by the city – full of open-minded people, interesting places and ideas.

In a university city, new ideas and views will always find an attentive listener. The academic, business and professional setting of Krakow's meetings industry ensures that every subject will enjoy creative development here, and even the largest conference – the right place and time.

Meetings venue in the lobby  
of the conference, organized by Orbis Hotel Group
