Dear Kraków Convention Bureau

The ICCA Team was pleased to work alongside the Kraków Convention Bureau Team as part of the Local Host Committee in the preparation and execution of the 61<sup>st</sup> ICCA Congress, held in Kraków between 6-9 November 2022.

Ever since the event was first announced in 2021, The Kraków Convention Bureau proved a great ally in the preparation; maintaining constant communication with us, and collaboratively building the first fully in-person ICCA Congress since the pandemic.

The highly-valued Krakow Convention Bureau's contribution to many aspects and components of the Congress made it possible for ICCA to exceed our objective of bringing 960 attendees from 80 countries - and 70 associations - to Kraków, providing a memorable top-notch experience for all involved.

We are delighted to have hosted the 61<sup>st</sup> ICCA Congress in Kraków... a truly wonderful city with the infrastructure, knowledge, and network to successfully host many global association business events in the future.

Warm Regards,

Senthil Gopinath  
ICCA CEO
